THE RIGHT CHOICE

for small homes and budget projects

Guival.C

by the ELECTRIC COMBI BOILERS COMPANY

Affordable Efficiency, Compact Size

Affordable: £995* (excl. VAT)
Easy swap: the position of the valves makes it easy to replace gas boilers.

Compact in size, wall-hung electric combi boiler for small properties with a shower (flats, small 1-2 bed houses, etc).

UK / EU Fully certified and tested. Guival.C has 2 years manufacturer's warranty (extendable).

Compatible with Solar Panels, great way to heat a property, cut down on bills and cut down on carbon footprint.

Guival.C gives heating at $>75^{\circ}\text{C}$ and on-demand hot water at $>60^{\circ}\text{C}$ with a flow rate of $>8\text{lt}/\text{min}$.

UK-based Support team and local team of engineers for installations, service and repairs.
